		Da-View	23138	1500	16733.00

NOTE: The Stand Alone System is an extension of the Thru-the-Wall (TTW) System that connects the rear projection screen and frame to the RPM structure in one complete package. The Stand Alone includes a close edge frame and one mylar mirror up to 56" x 72". A quotation is required for systems using a mirror larger than 56" x 72" or first surface glass mirrors. 42" x 60" and smaller mirrors include the Perfect Image Mirror Adjustment System for precise image adjustment.

Double Mirror System: Add $1000.00 Retail.

Heavy Duty Cradle (for projectors over 50#): Add $417.00 Retail.
